As of March 1, 2010, driver license applicants between the ages of 18-24 are required to complete an approved 6 hour Driver Education course to become a licensed driver in Texas. Applicants must submit a certificate proving the successful completion of driver education course (ADE-964) approved by the Texas Education Agency and TDLR-The Texas Department of Licensing and Regulation. After our course, you will be eligible to schedule and take a road test at your local DPS office.

While it may be a requirement for some, applicants over the age of 25 are still welcome to take this course. We offer a complete understanding of the DPS handbook and the rules of the road in Texas. You will be eligible to take your written exam at your local DPS office.
